**INTERNET COMPUTERS**

Computers are available to patrons with a valid library card. A reservation must be made before using a computer. There are five reservation times each day: 9:30 AM, 11 AM, 12:30 PM, 2 PM and 3:30 PM. Any patron can make one non-extendable reservation per day, which will allow for 60 minutes of computer time. Reservations can be made by phoning the Library or speaking to a librarian at the Adult Information Desk.

**QUARANTINED ITEMS**

All items brought into the Library are being quarantined for at least 96 hours (four days) before they are checked in. During this isolation time, patrons may receive overdue alerts, even though items are in the building. Any fines will be removed from accounts when the item(s) is checked in. If patrons have difficulty placing holds or accessing online resources because of items still on an account, please contact the Library for assistance.

**DANNY G. FREEZA, 1947-2020**

We extend our deepest sympathies to the family of St. Clair Shores Public Library Board Vice President Danny G. Freeza. Mr. Freeza had served on the Library Board since 1989. His strong advocacy for the Library and his knowledge and insight will be missed. He was honored by a proclamation from the City of St. Clair Shores on August 17, 2020. His family asked that any memorial donations be sent to the Friends of the St. Clair Shores Public Library.

**PATRICIA JEAN STELMA, 1929-2020**

We extend our deepest sympathies to the family and many friends of Pat Stelma who passed away at her home in St. Clair Shores August 12. She was a quiet but frequently seen happy face in the St. Clair Shores Public Library as an avid reader who was always looking forward to getting her next book, a tireless and devoted library advocate, and a dedicated, long-serving Library volunteer with the Friends of the Library. Her wishes were that any memorial donations be given to the Gift Book Program at the St. Clair Shores Public Library.
BOOK BUNDLES – BY REQUEST!

In addition to our Book Bundles based on popular themes, we are now offering Book Bundles by request. Fill out a Book Bundle request on the Library’s website and let us know the theme you are interested in and the age of the child(ren). Within 48 hours, the Youth Services librarians will assemble a Book Bundle of 4-5 books consisting of Easy Books, Beginning Readers, and Non-Fiction (where available) on the topic of your choice. When you are notified that your Book Bundle is ready, stop by the Library or schedule a curbside appointment to pick it up.

MELODY IS BACK!

MeL (Michigan eLibrary), a statewide service, is once again operating. This service allows patrons to request items not available from the St. Clair Shores Public Library or the other libraries that are also members of the SLC (Suburban Library Cooperative).

“MeL allows free access to online full-text articles, full-text books, digital images, and other valuable research information at any time via the Internet; and provides an easy-to-use interlibrary loan system to allow Michigan residents to borrow books and other library materials for free from participating Michigan libraries,” according to the MeL website. As of September 1, 2020 there were over 300 libraries participating in MeL, making almost 50 million items available to residents across the state.
