

**New
computer system
and
online catalog
at the
Library!**

**Here's
how it
affects
you!**

September 1

- New holds cannot be placed, including through MeLCat.
- Holds placed prior to this date will continue to arrive and may be checked out.
- The ability to place holds will be restored when the new system goes live.
- Existing holds should transfer to the new system.

September 14

- The Library's current system will be taken offline to transfer information to the new one.
- The online catalog should remain searchable, but will not be up-to-date.
- Patrons and staff will be unable to view account details (such as items checked out, due dates or fines owed).
- Patrons will still be able to check out material **with their Library Card.**
- Items that currently have a due date during the time the system will be down will have their due date extended to after the new system goes live.
- Items may still be returned and will be checked in and backdated once the new system is live.
- Some online resources may be unavailable during this time. Libby and Hoopla should remain active.

September 22

- The new library system and catalog go live!

November 1

- MeLCat services should be fully restored.

Please note that this timeline could change. We appreciate your understanding during this time. Please contact the Library or visit the website for up-to-date information.
